COVID-19 - CORONAVIRUS UPDATE

In light of the growing concern surrounding Coronavirus (COVID-19), we want to assure you that here at Unique, we remain 100% committed to servicing the needs of our customers.

To minimise the risk of disruption, we are working closely with suppliers to ensure stock levels remain as consistent as possible.

However, we do anticipate some short-term availability issues outside of our control on selected products that have suddenly enjoyed a rich vein of popularity (e.g. sanitisers).

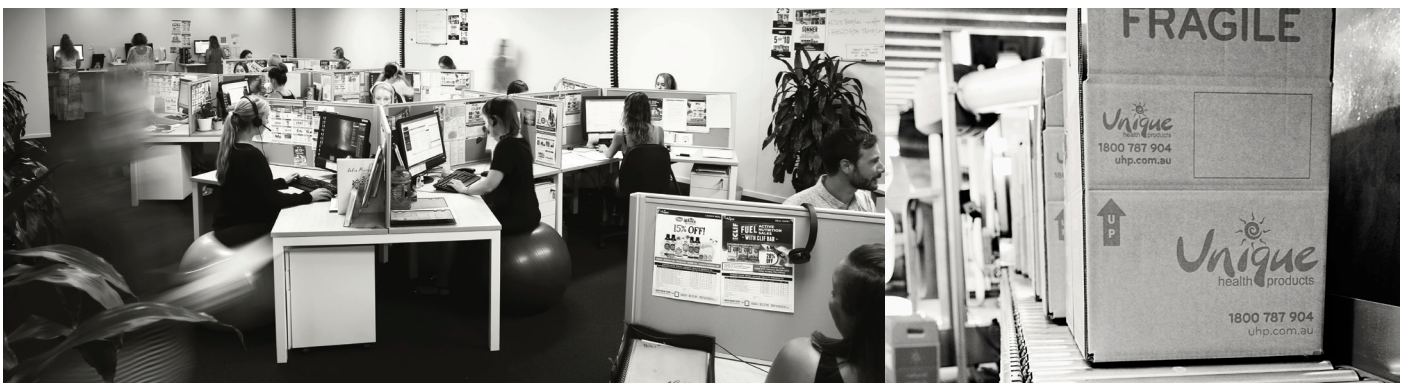

Please be assured that the Unique team is actively following public health protocols and government advice, as we remain focused on the safe and efficient fulfilment of your orders.

Unless otherwise advised, our normal sales processes at Unique HQ and level of service from our sales reps will be available to you at this time.

We will continue to monitor the situation and keep you updated should any changes occur. If you have any specific questions, please do not hesitate to contact us.

A handwritten signature in black ink, appearing to read "Dale Parkes".
